YOU WILL BE REQUIRED TO SIGN THE FOLLOWING PET FRIENDLY POLICY AT CHECK-IN

We welcome you and your pets to the Alexis Park Resort Hotel! We are happy that you have chosen to stay with us while in Las Vegas. Please assist us in providing for a safe and secure environment for all our guests. Please read and acknowledge the following common sense pet friendly policy restrictions:

Pets may not be left unattended in your suite. Our housekeepers will not provide daily service, where a pet is left unsupervised.

While outside of your suite, all pets must be carried, caged or restrained on a leash. Please do not loiter in any public building area (Lobby, Conference Center) where other guests might experience allergies to certain pets.

Pets are not permitted in the restaurant, bar, or other areas where food is served (Animal Assists are excluded from this restriction).

Pet owners will be held responsible for any disturbance occurring while the pet is on property. No barking, or off-leash activity is permitted.

Please clean up after your pet. We have established "Pooper Bag Stations" around the 28 & 29 Buildings where improved grass spaces are available for your pets.

Pets should not be left unattended in vehicles. It is a Law in the State of Nevada. A hot summer day in Las Vegas may result in serious injury or death to the pet.

Pet Parents will be held responsible for any damage caused by the pet to the suite or other property of the Alexis Park Resort. A cleaning fee of two hundred dollars (\$200.00) will be charged in the event of accidents. Other damage will be assessed by the General Manager, Chief Engineer and Executive Housekeeper.

ALL RESERVATIONS SHOULD BE MADE THROUGH OUR HOUSING COMPANY, PAR AVION.
