

## Dexas and Popware™ for Pets Introduce Bold, Bright New Colors to Pet Travel Items.

**Dexas also adds new innovation in pet hydration bottles – Snack-DuO holds water and kibble within the same bottle cylinder.**

**COPPELL, TX—** July 22, 2014 – Dexas and Popware for Pets will be exhibiting new color selections for the entire line of on-the-go pet items at **SuperZoo 2014 at the Mandalay Bay Convention Center in Las Vegas, July 22-24, 2014**. The product line-up, on exhibit in **Booth #1074**, includes collapsible, elevated feeders and pet bowls, non-slip Grippmats™, travel cups, kennel and crate bowls, pet hydration items, feeding accessories and more.

Also get an exclusive preview of the **Snack-DuO™ with Collapsible Companion Cup**: a truly unique innovation that has been added to the H-DuO™ pet hydration line. Snack-DuO is the first reusable water bottle on the market that can transport both a pet's food and water within the same bottle cylinder. A watertight "cap top" covers the pour spout of the water chamber, while a specially designed snap top covers the dry food or treat compartment. The collapsible Companion Cup can be used for serving either food or water. The Snack-DuO is completely BPA-free and holds 12 oz. of water along with 1.5 cups of dry food or treats.

**Popware for Pets** portable pet items are based on popular, collapsible kitchen tools designed and manufactured by Dexas, a leading housewares manufacturer based in Coppel, TX. The Popware for Pets line is available in stores and online at Petco, PetSmart, Bed Bath & Beyond, The Container Store, Cabela's and many other pet boutiques and specialty retailers.
