Sponsored by: World Pet Association

Competitors

Entries will be determined in the order they are received up to a total of 50 competitors. All Entries will be competing at the open level.

Entries

Competitors may compete with any of the AKC-recognized breeds. For best results and that "competitive edge", competitors should bring their own dogs. If you cannot bring your own dog because your country imposes quarantine, you may want to find a suitable dog from the list of dog suppliers the on website. Contact them at your earliest convenience to secure your competition dogs.

Coat Length Qualifications- Tom McLaughlin Super Jackpot

It is recognized that some coats grow more quickly than others. Therefore, for contest purposes, the hair must be of sufficient length to allow the competitor to make a distinct change in the dog's appearance. Rotated coats on hand-stripped dogs are acceptable; however *there must be a distinct change in the dog's appearance.*

Preparation Requirements

Competition dogs must be prepped and ready for the judge's inspection prior to check-in procedures. Dogs should be combed, brushed and free of tangles, freshly shampooed and dried. Ears should be clean, toenails trimmed/filed, and hair between the pads trimmed, if applicable, according to breed standards. Poodle feet, pads, sanitary trimming, the genital and stomach areas, should also be pre-trimmed. All other trimming shall be done only after the competition starts.

As a rule, terriers that are being handstripped are not freshly bathed, since wetting softens the hair and causes it to blow. Chalk may be used as a cleaning agent, providing that all traces of it are removed from the coat before the judges begin their final deliberations.

All grooming techniques - clipping, snap-on combs, scissoring, thinning, handstripping, plucking and carding are permitted. Singeing of the coat (using a flame device to remove the tips of the hair) is not permitted in the competition ring, prep area, or bathing and drying area. Any pet or show trim is permitted for Poodles.

Tied-up topknots are allowed and the contestant must create the entire tie-up during the competition. Decorative objects, color sprays or glitter are not permitted. Regular hair sprays are allowed; however, aside from a tied-up sprayed topknot and finished heads, i.e. West Highland White Terrier, the judges must be able to comb through the coat. No spraying of any kind is allowed after time is called.
