FOR IMMEDIATE RELEASE

PAWSITIVELY APPROVED BY JSG *OCEANA* INTRODUCES GLASS PET DISH

JEANNETTE, PA., April 30, 2019... Pawsitively Approved by JSG *Oceana* is proud to introduce a line of brand new glass pet dishes that will be displayed at Super Zoo in Booth #621.

Pawsitively Approved by JSG *Oceana* Pet Dishes are specifically created as a product for life. The glass pet dishes are designed and manufactured in the U.S.A. and are the **HIGHEST** quality. They are made of non-porous, non-leaching, 100% non-toxic "Hard Roc" Borosilicate glass. Glass is the only food and beverage material that is regarded safe for use by humans by the FDA. Our glass pet dishes are extremely durable, shatter-proof and resistant to scratches, stains, and thermal shock (heat). They can also be placed in the microwave with ease and are weighted spill proof, helping to prevent messes from occurring.

Available in three different sizes (small 5.5in by 2in, medium 7.5in by 2.5in, large 9.5in by 3.5in) and easy to clean, Pawsitively Approved by JSG *Oceana* Pet Dishes are perfect for any pet and their owner. Also featuring a wide variety of lustre colors and customization through etching, Pawsitively Approved by JSG *Oceana* Pet Dishes are beautiful, durable, and safe for your beloved pets. Custom etching is also available, to give your pets' dishes a more personalized look. Pawsitively Approved's borosilicate glass pet dishes are durable enough for everyday use, while providing a lifetime product.

Pawsitively Approved by JSG *Oceana* support all pets through donations to pet shelters and other worthy causes for pets.
