PET PALETTE LAUNCHES NEW BRANDS AND FEATURES UP TO 15% OFF AT SUPERZOO

Sykesville, MD

Pet Palette LLC, a national distributor of hard goods and treats, will be featuring new vendors at Superzoo this year. Pet Palette has added nine new brands to the 50+ brands that they carry. This year's show will feature Playology, Pet Releaf, Glandex, Herbsmith, Pet Kelp, Plaque Off and Wunderballs among others.

In addition, Pet Palette will be featuring their apparel, Halloween and holiday selections. Retailers can prebook their orders at 10-15% off at the show. The featured vendor for Apparel is GF Pet, available in the US exclusively through Pet Palette. Pet Palette features a "One Stop Shop" program for Halloween and holiday where retailers can order from multiple vendors at one time, saving up to 15% if orders are received by August 27th.

"We have great success at Superzoo each year, and this August we look forward to sharing with the retailers how we have grown by featuring many new vendors," said Michael Dagne, president of Pet Palette. "In addition, we will be ready to show the customers what is available for the pivotal fourth quarter sales and offering 10-15% off on almost all products that Pet Palette sells. With over 4,500 SKU's this can lead to big savings," added Dagne.
