

Richell's New Products at SUPERZOO 2019

GRAND PRAIRIE, TEXAS, USA –New One-Touch Metal Mesh Pet Gate series and Accent Table Pet Crate series will be introduced at SUPERZOO 2019!

One-Touch Metal Mesh Pet Gate series

Crafted of durable metal and featuring an exquisite mesh screen, our One-Touch Metal Mesh Pet Gate has a new luxurious look!

The tension-mount gate design stays firmly in place without damaging wall surfaces. The single button, easy lifting door handle allows for the smooth opening of the mesh door in either direction with just one hand. Easily carry items in one hand while opening the gate with the other. Add both ease of use and style to your home décor with the Richell One Touch Metal Mesh Gate. This functional work of art comes in either Black or Antique Bronze. Available in 32" and 40" Heights.

Accent Table Pet Crate series

Tired of bulky pet furniture bringing down the elegant look of your home? The Accent Table Pet Crate series adds glam to any room, functioning both as a stylish side table and a leisure space for your furry loved one. With its vintage design, mesh panels, and wooden construction, both you and your pet will feel at home and in style. Its door provides easy access to your pet while the included side stopper keeps the door in place. Available in two sizes: small and medium. Also available in two shapes; hexagon with a round top and triangle.

About Richell USA Inc.: Richell USA is a distributor of quality pet products designed by Richell Corporation in Japan.
