

Removing Product/Exhibit at Show Close

SUPERZOO 2026

August 12 - 14, 2026 • Mandalay Bay Convention Center

You are responsible for getting product/exhibit off the show floor after show close.

Product/exhibit may be taken off the show floor the following ways:

1. If you ordered material handling for move in and have paid your Freeman bill, then the material handling is already paid for the out. If a buyer is taking your product and wants to use the material handling program, you need to go to the Freeman Service Center, located on the show floor in the back of Aisle 6300, and fill out a bill of lading. At show close, the buyer goes to the Freeman Service Center and lets them know that they have purchased product/exhibit and you have **filled out a Bill of Lading**. Freeman will instruct your buyer as to what to do next.
2. A buyer who cannot hand carry items purchased, can use Cartload service as long as they have an approved vehicle and meet all other criteria such as the 300lbs weight limit. If your buyer is going to use cartload service, you will need to go to the Freeman Service Center, located on the show floor in the back of Aisle 6300, and fills out a bill of lading. At show close, the buyer goes to the Freeman Service Center and lets them know that they have purchased product/exhibit and you have **filled out a Bill of Lading**. You or the buyer needs to pay for this at the Freeman service desk.
3. Hand Carry - the same rules apply for buyers and the exhibitors as far as Hand Carry. They may not use dollies, carts, wagons, or any type of wheeled devices for taking product out.

Important:

In order to help increase the security of our exhibitors' products as SUPERZOO closes on Friday, August 15th at 3:00pm, we will not allow rescues to remove product from our show floor without prior arrangements made by the exhibitor, in coordination with show management. There will be one show management approved group collecting donations and they will have designated identification so that exhibitors recognize them as the approved organization.

Floor Managers and Freeman Executives will be on the show floor and available to explain and answer any questions you may have.
